

1. Read the descriptions of all required courses and elective courses that interest you in the course planner on the [website](#).
2. Use all the resources available to help you choose electives: teachers, parents, counsellors, and other students.
3. Check what courses are required for the grade 10 program, graduation, and entry to post-secondary institutions.
4. Check off your required Math course below.
5. Choose 5 elective courses (choices 4 & 5 are alternates).
6. Please use this form as a working document. Please select courses online via the MyEd portal by **no later than Mar. 4, 2024**.
7. Please access [Centennial Course Planning website](#) for more information.
