Sept. 4, 2019

Dear Parents or Guardians:

The Grade 9 Physical Education classes at Centennial will be taking part in several additional activities throughout this semester. These activities are intended to enhance the curriculum, and we believe in the importance of every student taking part in these Active Health and life skill activities. These activities include swimming, skating (and/or billiards) and bowling.

An activity cost will be applied to this course to cover remuneration for the following activities: (approximate costs - prices may vary. Transportation included)

Swimming - \$15.00 (4 sessions)

Bowling - \$11.00 (\$5.00 transportation/ \$6.00 bowling cost)

Ice Skating and/or Billiards - \$4.00 each – (includes facility rental & skate rental if required)

Total = \$30.00

This activity cost has already been included in your 2019/2020 school fees invoice. If this fee has been paid, please do not pay again. If this fee has not been paid, please do so online or at the office asap.

If your son/daughter does not participate in one or any of the selected activities, an alternate activity will be provided. This alternate activity must be completed in order to receive credit for the class time missed by not coming on the field trip.

If you have any concerns or questions regarding the Activity costs or method of payment, please contact your child's teacher by email or at 604-936-7205.

Sincerely,

Alan Kaselj & Larry Moro
