

shot: long shot

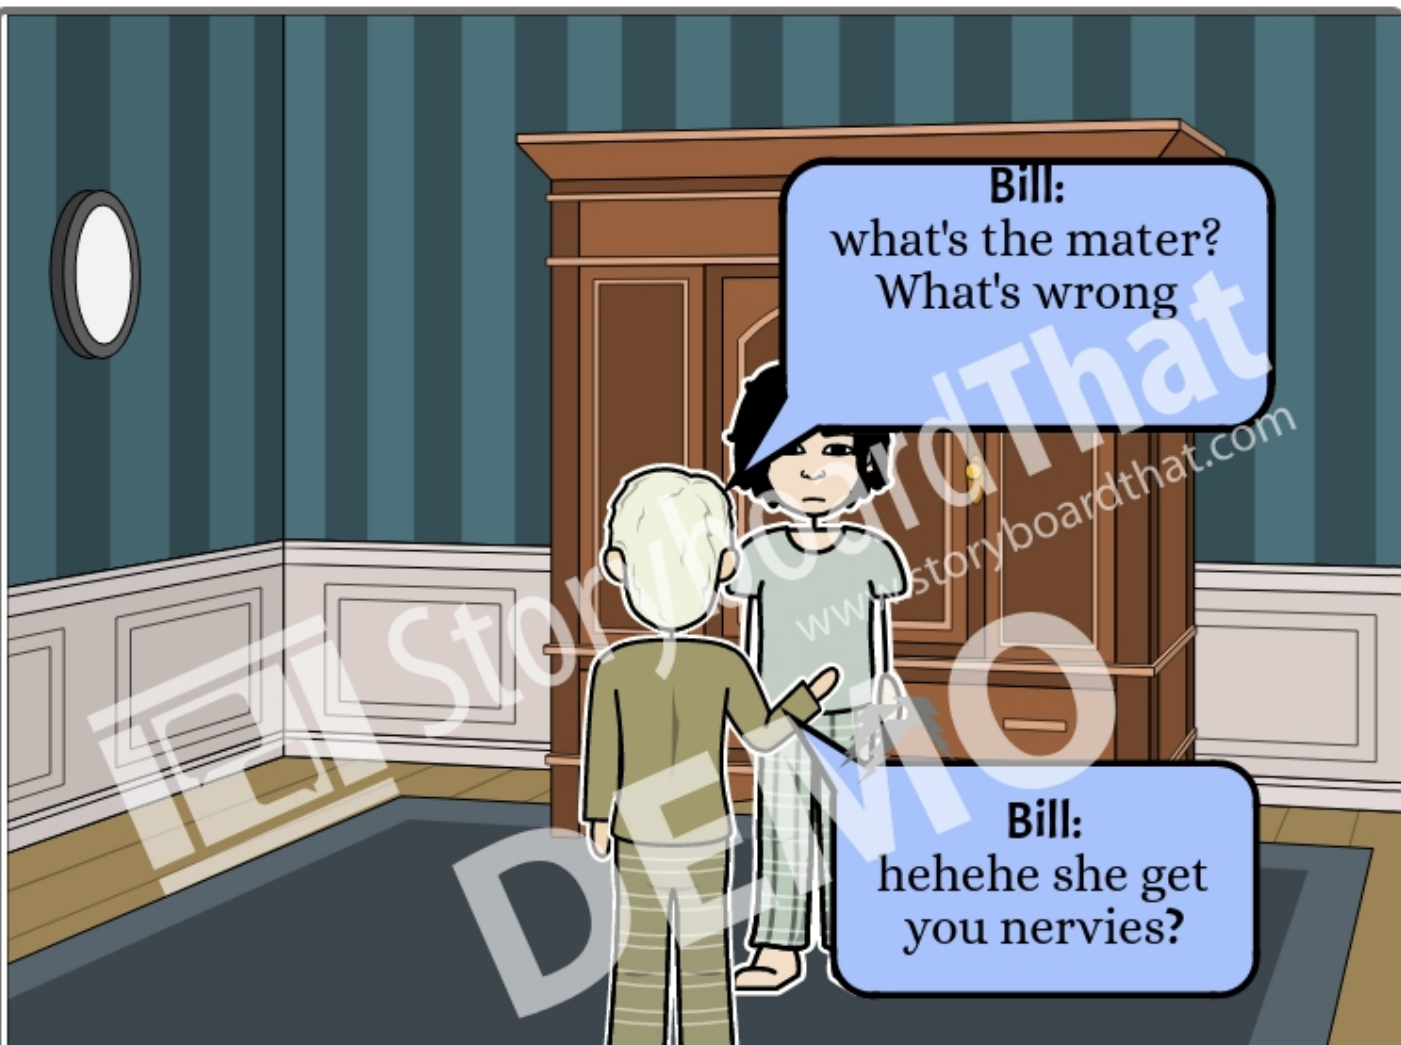

sound: no music, diegetic, water bed popping

lighting: low key, most of the light is coming from the window and the lamp

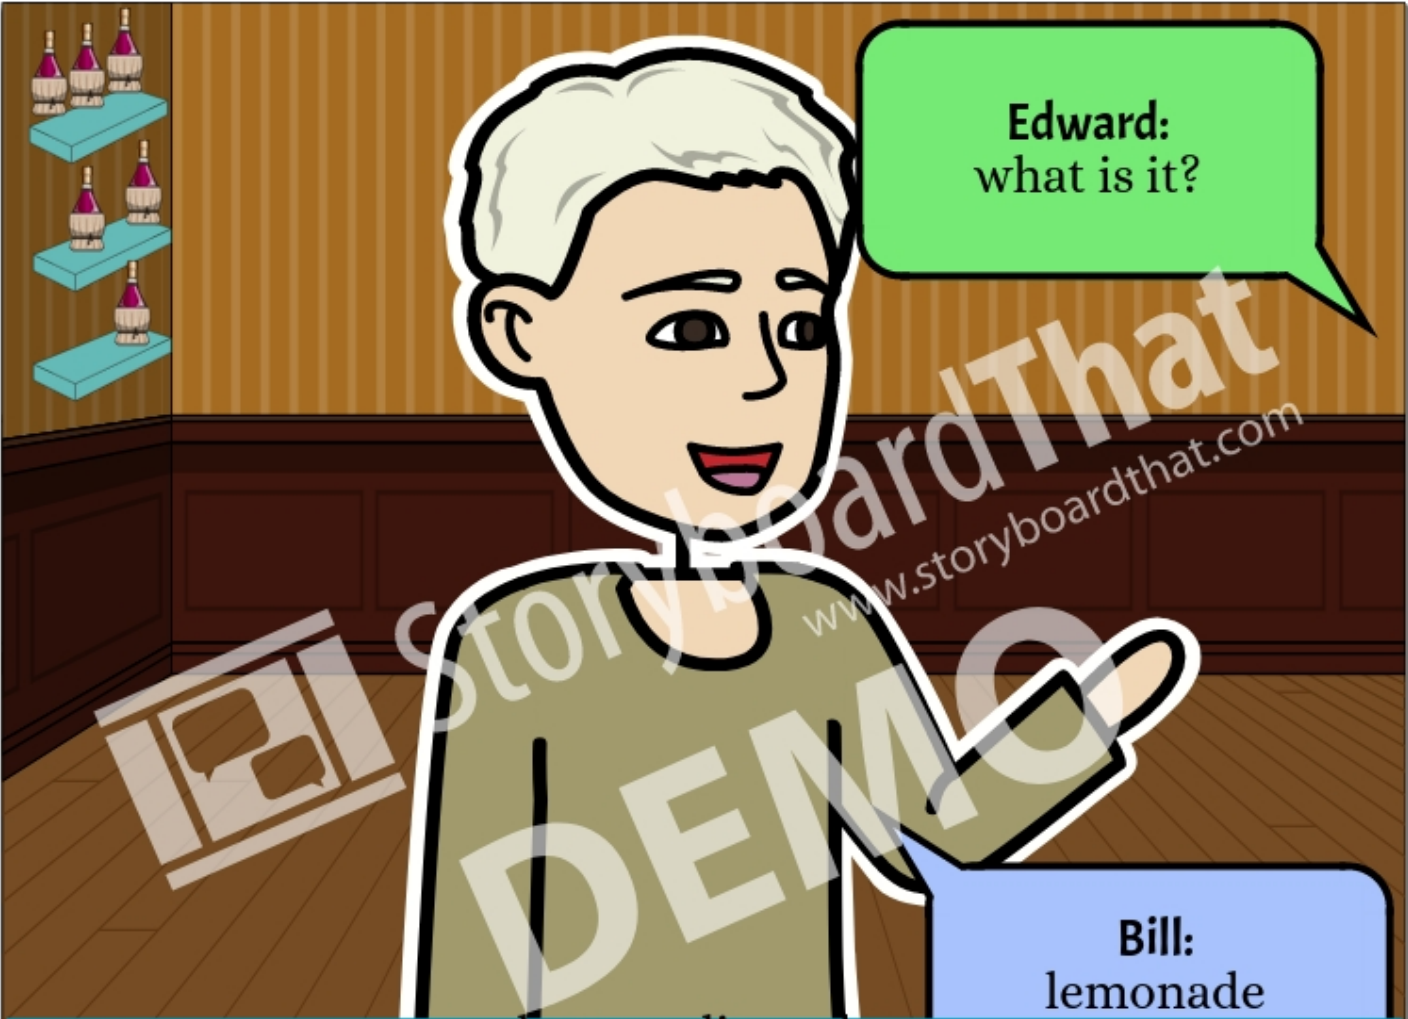

shot: long shot  
sound: no music, diegetic  
lighting: low key most things are just shadows

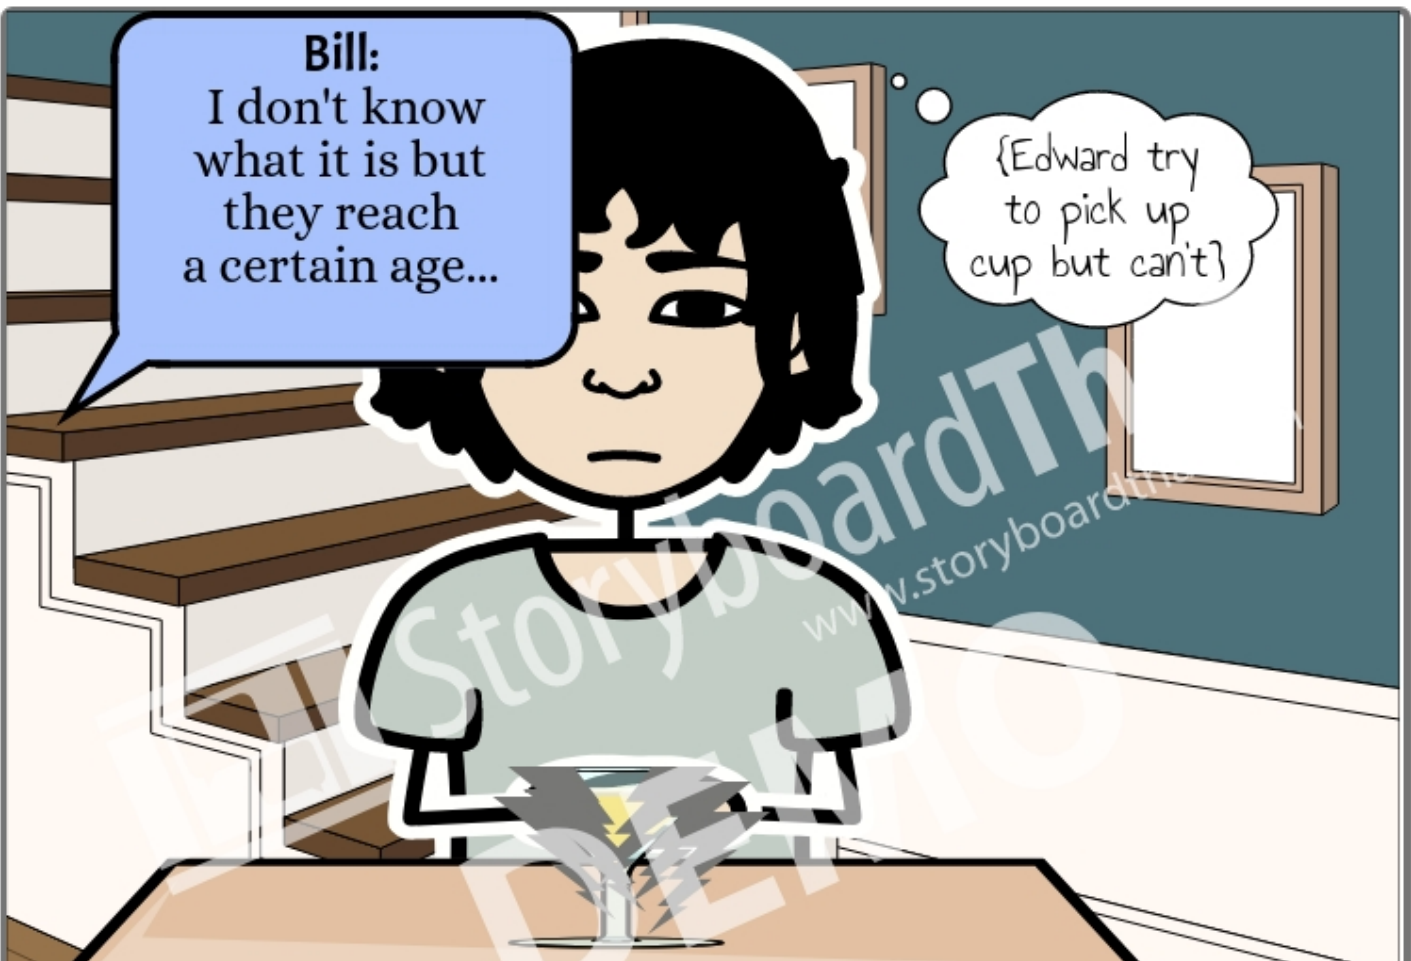

shot: long shot  
sound: no music, diegetic  
lighting: high key. the light is coming from the lamp and  
the ceiling lights

shot: medium shot

sound: no music, diegetic

lighting: front back lighting. the light is coming from where you can not see from the camera angle

**Bill:**  
I don't know  
what it is but  
they reach  
a certain age...

{Edward try  
to pick up  
cup but can't}

shot: medium shot

sound: no music, diegetic, Edwards hands clashing with the glass

lighting: bottom side lighting. you can't see exactly where the light is coming from and it is not directly on Edwards face.
